Passports Required for Air Travel to United States as of January 23, 2007

All Travellers entering the United States MUST present a valid Passport when arriving by air as of January 2007. This includes all children regardless of age will require passports to enter the United States of America.

Where do I get a Canadian passport? Canadian Passport applications can be obtained at your local post office or Passport Office, you can find a list of service locations for your Canadian Passport.

How Can I Apply Online for a Canadian Passport? You can also obtain a Canadian Passport Application Online, this is available to Canadians 16 years of age and older only.

You will need to print your application form, sign it and have your guarantor sign your completed application form and one of your photos. You will have to either present your application with supporting documents to one of our service locations or mail it in with the supporting documents. [more info here](#)
